

KAPIL SHARMA MODGILL

Full-Stack Developer · Product Engineer · Project Delivery

15+ Years in Technology

ksmodgill@gmail.com · +91 99103 83390 · linkedin.com/in/kapilsharmamodgill · kapilmodgill.com

PROFESSIONAL SUMMARY

Software professional with 15+ years of experience across web development, digital products and technology delivery. Experienced in designing, developing, testing and deploying websites, web applications and SaaS products, with hands-on exposure to frontend, backend, APIs, databases, WordPress, .NET and modern JavaScript technologies.

Combines technical development experience with UI/UX, product thinking and project management — enabling end-to-end ownership from requirements and planning through development, QA, deployment and production delivery.
